CERTIFICATE OF APPRECIATION

This Certificate is awarded to

(Name of officer)

in recognition of
the high standard of observations submitted whilst participating in

**The Voluntary Observing Ships Scheme Climate Project
(VOSClim)**

Observational data received from ships participating in the VOSClim Project are highly valued by the international scientific community for climate research and climate change studies.

The data make a significant contribution to IOC and WMO
Programmes for the monitoring and
protection of the oceans and atmosphere, and in particular for monitoring,
research and prediction of the global climate system.
